Chairman and Managing Director,
BHADRA Group

At the heart of BHADRA, lies an unwavering passion driving its mission to craft international quality homes. Each BHADRA project, a masterpiece in its own right, is methodically designed to ensure an abundance of natural light, impeccable ventilation, captivating vistas, and an unmatched living experience. This design seamlessly merges top-tier construction and functionality. Currently, BHADRA's ultra-luxury homes grace the premium residential districts of Bengaluru, notably the Central Business District (CBD). The Group intends to unveil its first premium luxury apartment project that will encompass retail and commercial amenities, with a target launch date set by the end of the fiscal year 2023. Till date, the Group has successfully delivered 27 lakh sq.ft. of developed areas, both through independent efforts and collaborative partnerships, housing numerous delighted customers in their beautiful BHADRA homes. At its core, the Group's work philosophy is deeply rooted in a profound commitment to quality, environmental sustainability, customer satisfaction, and ongoing technological innovation. BHADRA takes great pride in its in-house capabilities, cultivating a proficient team of professionals dedicated to delivering top-notch products.
